F.I.R regarding theft of electricity u/s 135 (I) (b) of Electricity (amendment) Act, 2007 against Goutam Chandra, S/O-Lt Bankim Chandra, Vill+PO-Anandapur, PS-Anandapur and Dist-Paschim Midnapore.

Sir,

I do hereby lodge a complaint empowered by the Electricity act 2003 (Amendment Act 2007) against the above mentioned accused for committing theft of electricity U/S 135 (I) (b) of the said act as stated here under..

Today on 04/01/2017 at 1.45 p.m. I, Sri Mansa Mal A.E. (E) & SM, along with Ashutosh Sharma, S.A.E., Arup Kr Singha Linesman and Mursed Khan T.S.H. of Anandapur CCC inspected the house of **Goutam Chandra, S/O-Lt Bankim Chandra, Vill+PO-Anandapur(Chawkbazar), PS-Anandapur and Dist-Paschim Midnapore.**

On inspection of his electric connection it was found that **Goutam Chandra** was using electricity unauthorizedly for running the electrical appliances of his house by the way of bypassing the existing Meter having No-L1619953. He had done this bypass by cutting the service cable before the meter (in the room just above the meter) and therefrom tapping the line with the help of 2 no's Copper Core 6 SWG White Colour PVC cables. This tapped line was then entered into the two no 5 Amp Porcelain made Fuse unit installed in the same room. From this Fuse Unit this pilfered electricity was being supplied in the whole house. The tampered service cable is 2-Core, 4 SQ mm While colour Aluminium core PVC cable. Upon detection of theft we disconnected the service line from the pole and seized a portion of the tampered service cable (approx. 5 mtr long) along with the bypass cables and the Fuse Unit as mentioned before. As theft of electricity was detected I seized the above noted articles in presence of the inspection team and the representatives of the accused duly signed by them. The seized articles were packed, labeled and sealed in the spot. We left the accused house at about 02.15 p.m. after completion of all formalities. WBSEDCL has faced revenue loss in this meter bypassing as a clear theft is detected.

So the accused have committed theft of Electricity u/s 135 (I) (b) of Electricity act 2003 (Amendment Act 2007) and you are requested to take cognizance of the complaint and treat it as F.I.R.

- Enclo:
1. Seizure list in original.
 2. List/ Seized articles in packed and labeled condition
 3. Copy of Inspection report
 4. Photograph of the scene of crime

Thanking You.
